The Dodge County Drug Task Force along with the Jefferson County Drug Task Force and the Wisconsin Department of Criminal Investigation (DCI) conducted a drug investigation over the past several months that resulted in a search warrant being executed at a residence in the Town of Lowell in Dodge County on March 15, 2018. The warrant resulted in the seizure of 732 grams of cocaine, over nine thousand dollars in cash and three firearms. The approximate street value of the cocaine seized is thirty to thirty five thousand dollars (\$30,000-\$35,000).

Victor M. Adamemares, age 38, was arrested and charges have been requested for several counts of Manufacture/Deliver Cocaine, Possession of Cocaine with the Intent to Deliver, Maintaining a Drug House and Possession of Drug Paraphernalia. This case has been forwarded on to the Dodge County District Attorney's Office as all individuals are innocent until proven guilty in court.

The Dodge County Sheriff's Office and the Dodge County Drug Task Force actively pursue those who deal drugs to our communities and to our children. This type of behavior will not be tolerated and again shows that our investigators are serious about going after those who deal drugs in our communities. We urge anyone in the public who has specific information about those who are dealing any kind of drug, but especially drugs like cocaine, heroin, methamphetamine and other serious drugs in Dodge County to contact the Dodge County Sheriff's Office or their local police department to report that information. You can also email drug information to [druginfo@co.dodge.wi.us](mailto:druginfo@co.dodge.wi.us). We need the public to be actively involved to assist us in taking down these high level drug dealers.

The Dodge County Sheriff's Office would like to thank all the law enforcement agencies involved for their assistance in this case.

Questions may be directed to Sheriff Dale J. Schmidt.
